BIY.HEAR

NUMEROLOGICAL LANGUAGE PROCESSING KIT

THANK YOU FOR PURCHASING THIS KIT!

Most technology is made for us to believe in it, BIY lets you create and hack with your own logic and beliefs!

All the BIY kits are built with the state of art machine intelligence software, trained on vernacular knowledge and popular wisdom and translated into playful and educational electronics kits.

Build your own projects to meaning in every name or object. The BIY Hear Boards comes preloaded with special trained models and functions!

KEY FUNCTIONS AND LIBRARIES

VOICE TO DESTINY
The two microphones of the board interpret every name of a person, animal or object it hears into a destiny and lucky number based on the word letters and conformations.

GENERATIVE PROPHECIES
The board generates prophecies based on the lucky and destiny numbers that can be heard from its speaker or also printed out with our Destiny printer extension kit.

DESTINY CLOCK
The board interprets the date and time in which is turned on to determine a contextual Lucky numbers and Destiny number for your projects.

HOW TO USE THE BIY.HEAR BOARD

1. POWER UP YOUR BOARD

Connect the golden usb cable to the micro usb port.

2. WAIT FOR THE BOARD TO START HEARING

The board will boot up its Numerological Language Processing algorithms to interpret the words it hears into tailored generated \ prophecies, trained by Indian Shamans.

3. TOUCH THE BELL AND SAY A WORD

The bell is the main switch for the board to start listening, it doesn't always listen!

4. WAIT FOR THE BELL

The on-board bell will ring once when it's processing your destiny and three times after it finishes its process.

5. HEAR PROPHECIES FOR EVERYONE AND EVERYTHING

The board's built-in speaker will read out your prophecy and destiny out loud. The board can generate destiny not only for you, but also for your friends humans and non.

BUILD A DESTINY PRINTER

1. GATHER ALL THE COMPONENTS YOU WILL NEED

Printer Kit (not included), Alligator Clips, Cardboard.

2. CONNECT TO YOUR BIY BOARD TO THE PRINTER

Use the Clips inside the kit to connect the STR Output to the STR Input Port of your Printer Kit.

3. USE THE PRINTER IN AUTONOMOUS MODE

The Printer can print your destiny every day or can also pick up words and names from the context.

4. GET YOUR PRINTED PROPHECY TO SHARE

Get and collect your printed prophecy or experiment with new designs.

5. PUT YOUR PRINTER AT HOME OR ANYWHERE YOU WANT

The possibilities are endless, customize the printer or place it where you want to print destiny for anyone.
